

**KIEWIT DUFFERIN MIDTOWN PARTNERSHIP  
HIGHWAY 417 FROM ISLAND PARK DRIVE TO KENT STREET  
MTO CONTRACT NO. GC 2020-4075**

---

**Notice of Construction:**

Percy Street between Catherine Street and Chamberlain Ave.

**Distribution Date: April 13, 2022**

Kiewit Dufferin Midtown Partnership (KDMP) has been retained by the Ontario Ministry of Transportation to replace the Percy Street bridges of Highway 417 / Ottawa Queensway.

To facilitate this work, KDMP will be required to implement traffic control staging on Highway 417 and City streets in the area of Percy Street. Percy Street will be closed to vehicular traffic on April 15, 2022. Pedestrian and bike traffic will remain open except for short windows in fall 2022 and summer 2023. It is KDMPs intent to keep an open and upfront communication channel with all residents and affected agencies. To that end, please see the below information providing further details regarding road closures and the affected area.

**WHEN: Percy Street:**

Anticipated Start Date: April 18, 2022

Anticipated End Date: October 30, 2023

**WHY:**

To facilitate the access for construction including but not limited to the preparation and construction of the Percy Street Rapid Bridge Replacement as well to repair and update existing infrastructure along Percy Street.

**WHERE:**

Construction Activities will be taking place in the following locations:

- Percy Street vehicle lanes
- Percy Street sidewalks and bike lane.
  
- **Full Closures:**
  - Full Closure implemented including pedestrian and bike traffic For Rapid Bridge Replacement in 2023. More communications to follow regarding this full closure including detour routes.
  - Full closure implemented including pedestrian and bike traffic in Fall of 2022 for 7 days. More communications to follow regarding this full closure including detour routes.

**WHAT:**

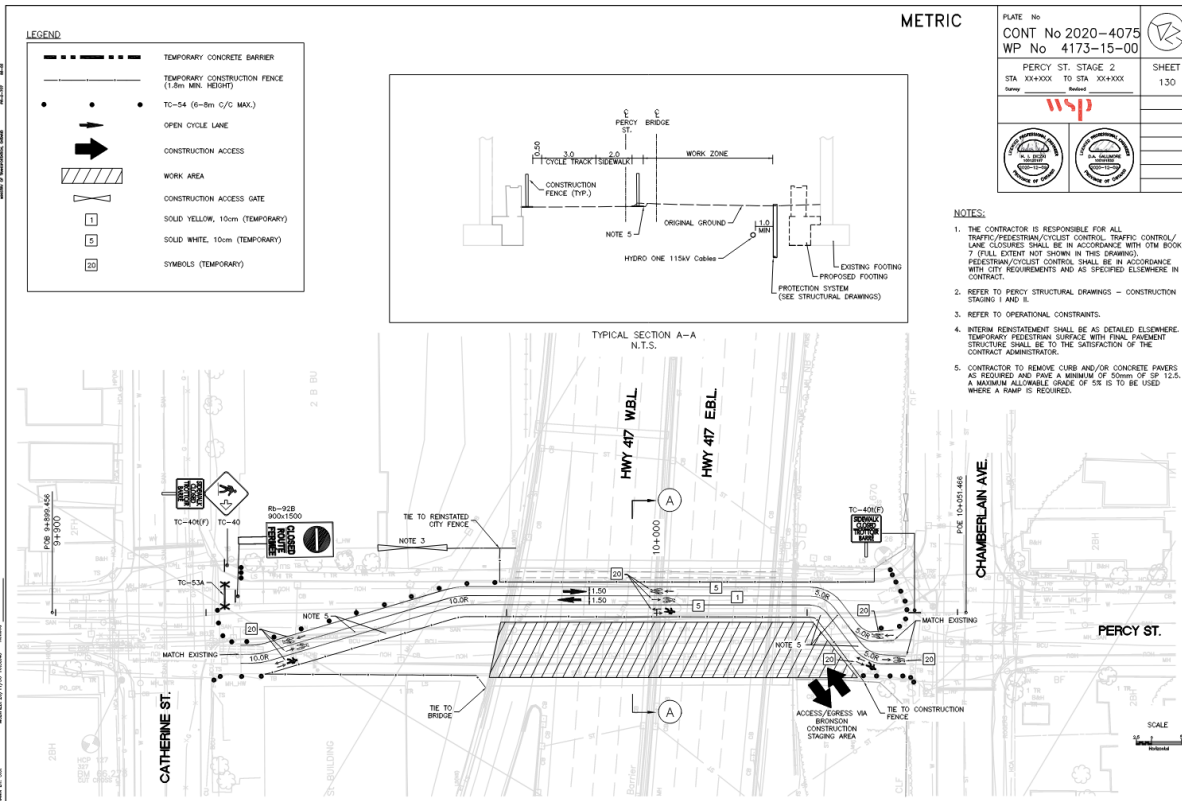

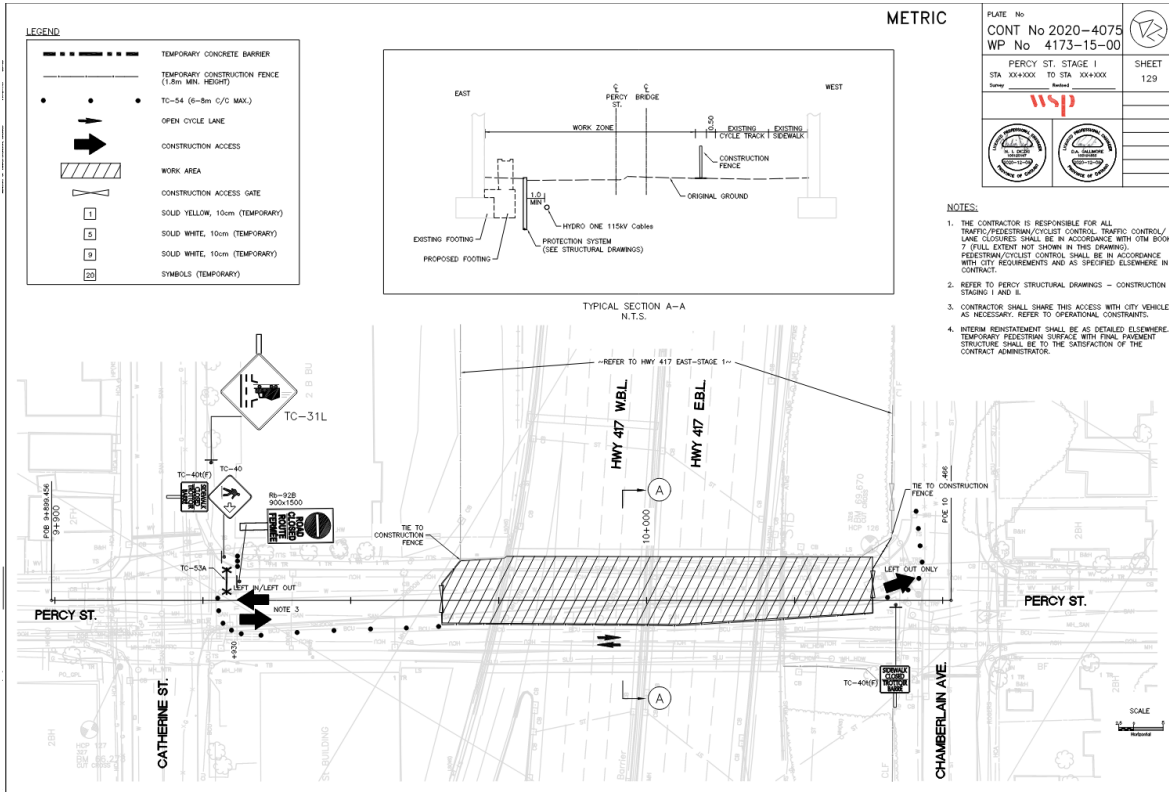

The closure scope includes but is not limited to:

- Excavation
- Grading
- Construction of New Retaining as well as Noise barrier wall
  - Excavation
  - Grading
  - Concrete
  - Electrical relocation and installation
- Replace curb and gutter
- Sewer installation
