

**KIEWIT DUFFERIN MIDTOWN PARTNERSHIP
HIGHWAY 417 FROM ISLAND PARK DRIVE TO KENT STREET
MTO CONTRACT NO. GC 2020-4075**

Notice of Construction:

Preston Street at St Anthony Street and Highway 417 overpass.

Distribution Date: April 13, 2022

Kiewit Dufferin Midtown Partnership (KDMP) has been retained by the Ontario Ministry of Transportation to replace the Preston Street, Rochester Street, Booth Street, Bronson Avenue, and Percy Street bridges on Highway 417 / Ottawa Queensway, as well as to undertake operational improvements from the O-Train bridge easterly to the Kent Street bridge and noise barrier replacements from Island Park Drive easterly to Kent Street.

To facilitate this work, KDMP will be required to implement traffic control staging on Preston Street to allow for pre- Rapid Bridge construction to be conducted. It is KDMPs intent to keep an open and upfront communication channel with all residents and affected agencies. To that end, please see the below information providing further details regarding sidewalk closures and the affected area.

WHEN: Preston Street at St Anthony Street

Anticipated Start Date: March 28, 2022

Anticipated End Date: May 13, 2022

WHY:

To facilitate pre-construction activities to allow for work to be conducted on the Preston Street overpass of Highway 417.

WHERE:

Preston Street at St Anthony Street north of Highway 417 overpass.

WHAT:

Construction activities will be taking place in stages the following locations:

- Preston East sidewalk
- Preston West sidewalk
- Lane shift Northbound
- Lane shift South Bound
